Warm yet Modern...this home is styled with great form and function and yet is appointed with exquisite finishing touches you will love. With the natural beauty of wood features and the crisp sleek feel, this home in the sought after town of Vienna does not disappoint. Built by A.R. Design Group, 1205 Ross Drive boasts 6 bedrooms, 5 full bathrooms, 3 powder rooms and nearly 8,000 square feet. This home is spacious and sundrenched with a flowing floor plan.

Sleek and Stylish describe this living room best. This is the room where you will make memories to be cherished for years to come. The floor to ceiling fireplace feature wall will provide a beautiful centerpiece to gather around in the cooler months. The living room is well appointed with a coffered ceiling, recessed lighting, and the large paneless windows allow you to see the incredible wooded lot that provides so much privacy. Flanking this space is a substantial deck to entertain guests or enjoy your morning coffee.
